Committee on Science and Technology
Fourth special session
Cancun, Mexico, 9–12 March 2015
Agenda item 3
Provision of scientific advice on the topic: "Explore the options to achieve land degradation neutrality in the context of sustainable development"

Provision of scientific advice on the topic: "Explore the options to achieve land degradation neutrality in the context of sustainable development"

Submitted by the Chair of the Committee on Science and Technology

The Committee on Science and Technology (CST) was informed about progress made on the topic "Explore the options to achieve land degradation neutrality in the context of sustainable development" and exchanged preliminary views on how to bring forward the provision of scientific advice on this issue. The topic of land degradation neutrality will be considered further at the twelfth session of the CST with the aim of generating recommendations the Committee may wish to make to the Conference of the Parties.
